

University of Florida | Emergency Medicine
Center for Respiratory Health Jacksonville - 2024

Enhancing Asthma Care

12/10/2024 | 12:00 PM - 01:00 PM | Jacksonville, FL

Presented By:

Heather De Keyser, MD
Associate Professor of Pediatrics
University of Colorado School of Medicine

Learning Objectives:

Upon completion of this activity, participants should be able to:

- 1 Identify various types of health services research and how they relate to asthma
- 2 Describe electronic medication monitoring and how it has been used to evaluate health behaviors in children with asthma
- 3 Identify asthma-related health behaviors in children as well as associated means of addressing them

Faculty & Planner Disclosures

University of Florida College of Medicine adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. All individuals in a position to control a CME activity's content, including faculty, planners, reviewers, and/or others, must disclose all financial relationships with ineligible companies (commercial interests). Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure>. All relevant financial relationships have been mitigated.

Name of individual	Individual's role in activity	Nature of Relationship(s) / Name of Ineligible Company(s)
